

BUS TECHNICIAN – De Forest, WI

Wisconsin Bus Sales is in search of a talented, assertive, reliable and hard-working individual to join our service team in a full-time apprentice bus technician role.

As a Bus Service Technician Apprentice you will learn to be responsible for safely and thoroughly inspecting, diagnosing, repairing and servicing buses, coaches, and similar vehicles including:

- Multiplex and electrical diagnostics and repair of these systems and their related components;
- Chassis repairs to include suspension, drive-train, air and hydraulic brakes and their subsystems;
- Repair of wheelchair lifts, child check systems, and other related accessories

Additional responsibilities will include parts ordering to include accurate accounting of time and repair explanations, inspection and servicing of new and used vehicles, and other assorted repairs in the course of doing business.

The ideal candidate has some bus maintenance and repair experience however we are willing to consider candidates with related training and/or experience and a stable work history willing to learn this trade. The successful candidate will possess a valid Driver's License with clear driving record; hold or be eligible to obtain a CDL for test driving; and own or are willing to obtain their own tools.

In return for your talent, Wisconsin Bus Sales offers a competitive compensation and comprehensive benefit package typically found in a large organization while working in a small close knit work community. For more information about Wisconsin Bus Sales, please visit our website at www.wisconsinbussales.com.

Customer focused technicians are encouraged to submit their resume at resume@trudellholdings.com or stop by to complete an application form at:
