

## **BUS TECHNICIAN – De Forest, WI**

Wisconsin Bus Sales is in search of a talented, assertive, reliable, and hard-working individual to join our service team in a full-time bus technician role.

As a Bus Service Technician, you will learn to be responsible for safely and thoroughly inspecting, diagnosing, repairing and servicing buses, coaches, and similar vehicles including multiplex and electrical diagnostics and repair of these systems and their related components; Chassis repairs to include suspension, Cummins medium duty and Ford drive-trains, air and hydraulic brakes and their subsystems; Repair of wheelchair lifts, child check systems, and other related accessories.

The ideal candidate has some bus maintenance and repair experience as well as diesel repair experience. The successful candidate will possess a valid Driver's License with a clear driving record; hold or be eligible to obtain a CDL for test driving; and own or are willing to obtain their own tools.

In return for your talent, Wisconsin Bus Sales can offer the following:

- Pay range of \$25 to \$35 (Journeyman to Career Technician) per hour.
- \$5000 to \$10000 signing bonus (depending on experience and does not apply if submitted through a third-party service) paid out over the first year of employment.
- Most benefits effective 1<sup>st</sup> of the month following date of hire.
- We may match your vacation benefit if you are currently working.

More importantly is the stability and overall benefit that comes with working for a large organization while still working in a smaller, close knit work community where our core value that "People Matter" is truly lived out.
